

What is Market Day?

Market Day is a place to purchase over 150 high-quality, nutritious foods designed to meet the needs of today's busy and value-minded consumers. Market Day provides these products at competitive, every day prices while being able to offer added benefits to our Auburn/Divernon School District through the PTO.

How can I purchase these products?

There are two ways to purchase Market Day products: Paper order forms and online.

- Paper orders forms are sent home with your child. If you lose an order form or do not receive one, you can go to the Auburn School District website and obtain one under the PTO link.
- Ordering online gives you additional benefits. A few benefits include being able to shop the "Web Clearance" items, receiving the "Apple Bytes" newsletter to get special discounts/promotion offers as well as sale date reminders, and having the ability to pre-pay with a credit card.

If you choose to order online, follow the simple directions below to ensure the Auburn/Divernon schools are rewarded for your purchase:
