School Message Transcript 3/30/2020

Hello, this is Darren Root, Superintendent of the Auburn School District,

I hope your family is well as we navigate through these historic times.

THIS MESSAGE WILL BE POSTED ON THE SCHOOL WEBPAGE.

This message is for student in grades K-8.

Although currently the governor has close school buildings through April 7, and our spring break is over April 13, the responsible thing for us to do is to anticipate remote learning beyond that date. To prepare, my goal is to make sure 100%, - ALL of our students – are participating in the learning opportunities that our teachers are working so hard to provide.

If your child does not have access to a device, a computer or chrome book or ipad or a device that allows them access to remote learning opportunities, it is our goal to make sure those with highest priority have access to our teachers' lessons. If you need special arrangements for a device, please call your building administrator and leave your name and phone number:

k-2 217-438-6916 Ext 1302

3-5 217-438-6919 Ext 1126

6-8 217-628-3414 Ext 1418

Emailing your principal is also a good way to get special arrangements.

Again, the goal is for every student to stay in touch with your teacher, take advantage of the educational opportunities being provided and to stay curriculum current during these historic times.

Thank you and stay home and healthy.
