

Pre-K Remote Learning Proposal

2020-2021

The Auburn Pre-K Program is submitting the following proposal for Remote Learning.

Schedule:

The morning Pre-K classes will meet daily at 9:00am.

The afternoon Pre-K classes will meet daily at 10:00am.

There will be a 30-minute class meeting followed by 20 minutes of small group activities.

Class Meeting:

The class meeting will last approximately 30 minutes.

This class meeting will include:

- Read aloud of quality children's literature
 - 2.A.ECa – Engage in book-sharing.
 - 2.A.ECb – Looks at books.
 - 2.B.ECa – Ask and answer questions about books.
- Song/movement activity
 - 25.A.ECa – Movement and Dance
 - 25.A.ECc – Music
- Learning activity
 - 30.A.ECb – Use communication skills
 - 31.A.ECe – Develop peer relationships
 - 31.B.ECa – Interact with peers
- The class meeting will also include birthday celebrations, show and tell, and Star Student (i.e., student of the week) activities.

Small Groups:

The small groups will last approximately 20 minutes.

The schedule for small groups will be:

Monday – 4/5 year old students – literacy readiness activity

Tuesday – 3 year old students – literacy readiness activity

Wednesday – 4/5 year old students – math readiness activity

Thursday – 3 year old students – math readiness activity

Friday – 4/5 year old students – thematic activity

Activities will vary, but all will be aligned with the Illinois Early Learning and Development Standards for Preschool.

Additional Material:

An additional 10-15 minutes of instructional material will be provided daily.

Website – The Pre-K website will contain additional learning videos.

SeeSaw – Digital games and learning activities will be uploaded weekly to SeeSaw.

Work Packets – Students will be provided with work packets for paper/pencil activities.

Office Hours:

Pre-K teachers will be available for office hours from 12:40-3:40 daily. They may be contacted through email, phone, or the Remind App. They are also available for video conferencing during this time or for additional student instruction if needed.
