

Attention parents of students in Pre-K, Kindergarten, 2nd, 6th, 9th, and 12th grades.

This information was recently emailed regarding health requirements for the 2020-2021 school year.

Per Illinois School Code, students in these grades will still need to submit the required health documents for their grade even though we will be learning remotely. The requirement is for any student enrolled in school and is not contingent upon in-person instruction.

Please contact the school nurse if you have any questions.
