January 7, 2022

Due to the rise in covid-related quarantines and positive covid cases in our faculty, students and staff, we have elected to use our five (5) emergency days that are already built into the school calendar starting January 10 through January 14. Off campus programs will still be in session and transportation will run as scheduled.

Monday, January 17 is the observance of Martin Luther King. With weekends, we will have 10 full calendar days available to aid in quarantines and recoveries.

Our hope is that by using our emergency days for their intended purpose, to keep students safe, we will be able to start back to school on Tuesday, January 18, with a majority of our faculty, students and staff healthy while avoiding remote learning days.

Extra-curricular activities and athletic contests will be assessed on a case-by-case basis, as is our current practice. Some teams have remained healthy to participate so may be cleared to do so.

Sincerely,

Darren J. Root
